

# The Torc Experience

Torc Café and Food Hall was established in Longford Town, in 1997 by Ruth McGarry Quinn. Our extensive premises are located on New Street, on the way into town, on the left hand side after you pass St. Mel's Cathedral. The Café has a relaxed atmosphere, serving simply good food, with the aroma of fresh roast coffee and chocolate from our free flowing fountain. Our Food Hall is stocked with a range of speciality foods, from Ireland and around the world, and our selection of home made cakes and tasty treats, are a talking point with all our customers.

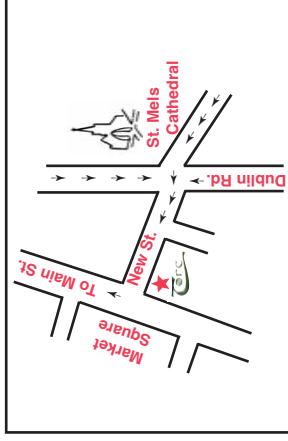

## - FROM TRUFFLES TO PRESERVES -

We have been voted among the top ten cafes in Ireland Food & Wine Magazine and have also been featured on many occasions in the Irish Times and the Bridgestone Irish Food Guide. We carry an extensive range of our own handmade

products, from truffles to preserves, and of course our famous house dressing. We also supply speciality luxury cakes to order.

Our gift department is a 'must' for any occasion, whether it's a special anniversary, an excuse for self indulgence, or just a nice way to tell someone in a tasty way that you love them! Gift vouchers are also available for any amount.

Food and wine hampers are on sale throughout

the year and our Christmas selection can be purchased or ordered from November onwards.

## - OUTDOOR CATERING SERVICE -

Our Café can be booked for special evening functions, from product or book launches to corporate events. Please give us a call, without obligation, to discuss your individual requirements. We also have a convenient outside catering service, and our list of tasty treats to order, is available in store.

Our Opening hours are Monday to Thursday, 9am to 6pm. Friday and Saturday, 9am to 8pm, and closed on Sundays and Bank Holidays.

We pride ourselves in the quality of our products, our selection and our service. We look forward to you enjoying 'The Torc Experience' soon!
